

Designed for optimum portability

Tecra A40-E

The dynabook Tecra A40-E is an exceptionally portable yet connected and secure 14" business laptop, specifically designed to meet the needs of the modern mobile worker. Using dynabook's top class in-house design, engineering and manufacturing expertise, the Tecra A40-E is tested to rigorous MIL-STD-810G quality standards to ensure it's ready for life on the road. With an 8th generation CPU and SSD hard drive housed within its elegant, ultra-thin and sturdy chassis, the Tecra A40-E delivers up to 13.5 hours of battery life. We understand that life on the road can present risks, so business security is well taken care of. Our unique in-house BIOS offers maximum security, along with TPM, biometric login and a range of optional authentication features.
